In Earlier Days

when the bathroom was not inviting by reason of its closed-in unsanitary marble washstand, a cozy corner of the sleeping apartment was usually set aside for making the toilet and was looked upon as indispensable to the well-appointed room. This order of things prevailed until the introduction of

"Standard" Porcelain Enameled One-Piece Lavatories,

which are so sanitary and attractive that the charm of the dressing corner vanishes in favor of a bathroom equipped with a "Standard" lavatory, with pure, running water, hot or cold, as desired.

"Standard" lavatories are made in so many artistic and original signs, in one piece, without the unsightly plaster-parls joints necessary to marble washstands, that no matter how much or how little you wish to expend on your bathroom, a "Standard" lavatory can be selected which will please you better than one of any other kind. Every fixture bears the manufacturer's "Green and Gold" guarantee label. You take no risk.

Whether you contemplate building anew or have become dissatisfied with your present washstand, you are welcome to examine the samples of "Standard" lavatories and other "Standard" ware we have newly displayed in our showrooms. Our prices and the ability of our workmen will meet with your approval.

FEEBLE OLD PEOPLE

For All Such People in Pensacola We

Guarantee Vinol Will Create

Health, Strength and Vitality

or Return Money.

Hundreds of old people right here in Pensacola need just such a strength maker and body builder as our delicious cod liver oil preparation, Vinol; and we simply cannot understand why they will continue to drag out a half-dead and half-alive existence, when we guarantee Vinol will infuse new life, invigorate every organ in the body, stop the natural decline and make them well, vigorous and strong. If you want to know how an aged, feeble, discouraged man or woman may be made active, cheerful and vigorous, read this letter.

Mrs. Catherine Therer of Albany, N. Y., writes: "Six months ago I felt that I was broken down by age, and I was doomed to the weak and feeble condition of old people. The slightest exertion tired me, and I had no strength. My daughter brought me a bottle of Vinol. I soon felt an improvement. I continued its use, and am now well, cheerful and stronger than I have been for years; in fact, I feel 10 years younger."

Vinol is not a strong stimulant which reacts on the system, but it is a genuine tonic and body builder which creates strength by building up every organ in the body to do its work as nature intended, and makes rich, red blood. In this way it stops the natural decline and replaces weakness with vigor. We wish every old person in Pensacola would try Vinol on our guarantee to return money if it fails. Take a dose of Vinol after each meal and every night before retiring and note its beneficial effect. W. H. White & Co. druggists.
